- Team Collaboration:** Worked effectively within a fast-paced team environment to meet daily sales targets and operational goals.

## Projects

---

- **Digital Portfolio | HTML, CSS, GitHub Pages**

**Jan 25 – Mar 25**

- Designed and built a personal portfolio website from scratch using semantic HTML5 and CSS3 to showcase technical skills and professional achievements.
- Implemented a fully responsive layout to ensure optimal viewing experiences across mobile and desktop devices.
- Hosted and maintained the site using GitHub Pages, demonstrating proficiency in version control and web deployment.
